Memorandum.

Mr. Perrin.

S.E. 1/4 3-4-12-W.4th M.  
Preemption - S.A. Smith.  
Entry granted - 13th January, 1910.

With the exception of payments, a satisfactory application for patent was made on the 18th December, 1920. A Certificate of Recommendation did not issue.

On the 13th June, 1924, Inspector Wilcox stated no residence, improvements or cultivation.  
General Remarks:-

"Mr. Smith sold his homestead to  
"Mr. F.J. Conway and left the district  
"several years ago. I would recommend  
"that his preemption be cancelled."

Cancellation proceedings were then instituted by the Department for failure to pay, on the 13th June last. No defence has been filed and with interest to the 1st November last, the standing of the account amounted to \$764.81.

In view of the foregoing I would recommend summary cancellation and the land be reserved from disposition for the present, in view of the fact that the Inspector states that sixty acres are fit for cultivation.

Re: Account of Harry M. Bean  
N.W. 13-4-12-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 seed grain amounting to \$184.00 was advanced to Harry M. Bean on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

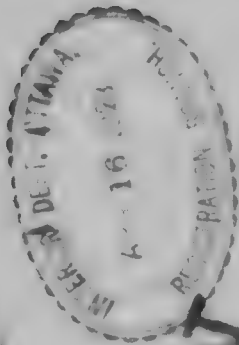

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$ 184.00	\$ 411.80	\$ 595.80

The N.W. 13-4-12-W4 was the homestead entry of Harry M. Bean on which security he obtained an advance of seed grain in 1919. Patent was issued in the name of Harry Malon Bean on the 7th of November 1935, and there is no record of the lien having ever been registered.

As the lien was never registered against the land and there is no further security, it is recommended that the indebtedness be cancelled.

In this case there were outstanding certain advances in the joint right of the Province and the Dominion. Board Order 4926.

In this case there were outstanding certain advances in the joint right of the Province and the Dominion. The Adjustment Board of Alberta in their report dated the 17th July, 1931, recommended that the indebtedness be written off as a loss. They also advised that the liens are not registered. As no action to deregister is necessary this communication may be accepted as conveying the consent of the Department to the cancellation of the liens and the closing out of the account as a loss, which action has already been taken on our records.

Dear Sir:

Re: N.E. 4-5-11 W. 4th M.

We are in receipt of a letter from Mr. H. C. French dated 12th April, 1949, stating that he has been informed by you that there are certain liens registered in the name of Joseph Green against the S.E. 31-23-10 W. 4th M., N.E. 31-23-10 W. 4th and S.E. 19-10-10 W. 4th M.

There is now sufficient evidence on our files to indicate that the Joseph A. Green who formerly owned N.E. 4-5-11 W. 4th is not the same Joseph Green associated with the liens against the other three quarter sections. You are therefore authorized and requested to remove lien No. 5673 for \$256.00 and lien No. 256 B.Q. for \$204.15, \$74.60 and \$143.85 from the title to N.E. 4-5-11 W. 4th only.

A copy of this letter is being sent to Mr. H.C. French for his information.

The above party obtained the following Dominion Advances giving as security a lien on the title on the above land.

|                          |              |

| Interest to August 31/50 | 70.06        |

The debtor has approached this office through his solicitor with a request for a compromised settlement and advises that he is now unable to farm the land being 63 years of age and incapacitated. In addition to himself he maintains his wife and a 15 year old son who is unable to work.

The debtor now proposes to sell this land to maintain himself and family. He will realize only a small sum, the half-section being assessed for \$600.00 only for taxation purposes, and will find it necessary to take whatever light work, within his capabilities, that is available in order to carry on.

The debtor has tendered the sum of Twenty-five dollars and twenty-five (25.25) cents representing the principal amount outstanding and in view of the foregoing information, it is recommended that the offer be accepted, the balance of the account being written off and the liens discharged.

Provincial Seed Grain Advances of One-hundred and ninety-two dollars and sixteen (\$192.16) cents together with accrued interest have already been cancelled.

### My Statement

1. The first part of the paper is devoted to a discussion of the general principles of the theory of the structure of the atom. It is shown that the structure of the atom is determined by the laws of quantum mechanics, and that the structure of the atom is determined by the laws of quantum mechanics.

1. The first part of the paper is devoted to a review of the literature on the topic of the role of the state in the development of the economy. It is found that the state has played a significant role in the development of the economy in many countries, particularly in the case of developing countries. The state has been able to mobilize resources, create infrastructure, and provide social services, all of which have contributed to economic growth and development.

It is important to note that the assumption in the latter series is that the "consumption" requirement is at  $P_{\text{max}} = 0.82$  g/g dry weight, which is a reasonable value for  $\mathbf{w}_{\text{max}}$ .

1. The first of these is the fact that the majority of the population of the United States is now living in urban areas. This is a result of the process of urbanization, which has been going on since the beginning of the 20th century. The population of the United States has increased from about 100 million in 1900 to over 200 million in 1950. At the same time, the population of rural areas has decreased from about 100 million in 1900 to about 50 million in 1950. This has led to a concentration of the population in urban areas, which has had a number of important consequences. One of the most important is that it has led to a change in the way of life of the majority of the population. In rural areas, the population has traditionally been engaged in agriculture, and the way of life has been based on the needs of the farm. In urban areas, the population has traditionally been engaged in industry and commerce, and the way of life has been based on the needs of the city. This has led to a number of differences between the two ways of life, including differences in the types of housing, the types of food, and the types of entertainment. These differences have led to a number of problems, including the problem of housing, the problem of food, and the problem of entertainment. The problem of housing is particularly acute in urban areas, where the population is concentrated in a small area. The problem of food is also acute in urban areas, where the population is concentrated in a small area. The problem of entertainment is also acute in urban areas, where the population is concentrated in a small area. These problems have led to a number of efforts to improve the way of life in urban areas, including efforts to improve housing, to improve food, and to improve entertainment. These efforts have led to a number of improvements, but there is still a long way to go. The second of the two main reasons for the concentration of the population in urban areas is the fact that the majority of the population of the United States is now living in the South and West. This is a result of the process of migration, which has been going on since the beginning of the 20th century. The population of the United States has increased from about 100 million in 1900 to over 200 million in 1950. At the same time, the population of the North and East has decreased from about 100 million in 1900 to about 50 million in 1950. This has led to a concentration of the population in the South and West, which has had a number of important consequences. One of the most important is that it has led to a change in the way of life of the majority of the population. In the North and East, the population has traditionally been engaged in industry and commerce, and the way of life has been based on the needs of the city. In the South and West, the population has traditionally been engaged in agriculture, and the way of life has been based on the needs of the farm. This has led to a number of differences between the two ways of life, including differences in the types of housing, the types of food, and the types of entertainment. These differences have led to a number of problems, including the problem of housing, the problem of food, and the problem of entertainment. The problem of housing is particularly acute in the South and West, where the population is concentrated in a small area. The problem of food is also acute in the South and West, where the population is concentrated in a small area. The problem of entertainment is also acute in the South and West, where the population is concentrated in a small area. These problems have led to a number of efforts to improve the way of life in the South and West, including efforts to improve housing, to improve food, and to improve entertainment. These efforts have led to a number of improvements, but there is still a long way to go.

1. The first part of the document is a letter from the President of the United States to the Congress, dated January 1, 1861. It is a formal address, and it is the first of its kind since the signing of the Constitution. The President, James Buchanan, is addressing the Congress, and he is doing so in a very formal and dignified manner. He is discussing the state of the Union, and he is also discussing the issue of slavery. He is saying that the Union is in a state of crisis, and that the issue of slavery is the cause of this crisis. He is also saying that he is doing everything in his power to maintain the Union, and that he is asking the Congress to do the same.

Ottawa, 20th November, 1952.

Dear Sir:

Re: N.W. 5-3-11-W4

This Department has an old account against the above noted land for advances of seed grain to G.J.C. Wilson in 1918, 1919, 1920, 1921 and 1922. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Yours very truly,

C.K. McCaplain,  
Chief, Lands Division.

Seed Grain Advisory Board.

Re: Account of G.J.J. Wilson  
N.W. 5-3-11-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1918, 1919, 1920, 1921 and 1922 seed grain amounting to \$705.10 was advanced to G.J.J. Wilson on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

| <u>Principal</u> | <u>Interest</u> | <u>Total</u> |
|------------------|-----------------|--------------|
| \$ 705.10        | \$ 1,553.77     | \$ 2,258.87  |

The N.W. 5-3-11-W4 was formerly the homestead entry of the debtor on which security he obtained advances of seed grain in 1918, 1919, 1920, 1921 and 1922 and there is no record of the liens having ever been registered against the land.

According to an Abstract of Title dated the 27th of April, 1953, the land now stands in the name of a Mr. Thomas R. Wilson, clear of any encumbrance.

As the liens were never registered against the land and there is no further security for our advances, it is recommended that the indebtedness be cancelled.

AND

TAX CONSOLIDATION BOARD

MAY 9 1931

REGISTERED IN PARLIAMENT

PARLIAMENT BUILDINGS  
EDMONTON

January 30th, 1931.

Re B. L. 35-8-11-7, 4th Mer.,  
J. M. Deisart,  
N. W. of Forty Mile No. 64.

The Seed Grain & Relief Adjustment Board, constituted under Order P. C. 2200, hereby recommends that the liens, Municipal and Joint Relief, charged against the B. L. 35-8-11-7, 4th Mer., for advances made to J. M. Deisart, by the Municipal District of Forty Mile No. 64, be discharged.

The Board submits the report of the Director, 1930, Adjustment Act, dated November 17th, 1930, which report gives full details of all liens registered against the said land and states in support of the recommendation:-

1. That at the time the advances were made the debtor was the owner of said land subject to a first mortgage in favor of the Manufacturer's Life Insurance Company, which has priority to all liens.
2. That the Mortgagees foreclosed upon their security and became the registered owners of said land and that by such foreclosure all liens were eliminated therefrom.
3. That the debtor left the District some years ago, and there is no possibility of making any collection under his personal covenant.

The Board therefore recommends that all liens registered against the said lands be unconditionally discharged, and the total amount payable therein be written off as uncollectible.

The Tax Consolidation Board, hereby recommends that the liens, charged against the E. J. 35-2-11-7. 4th Mer., for advances made to J. M. Weibart, by the Municipal District of Forty Mile No. 64, be discharged.

The Board submits in support of this recommendation:-

1. That at the time the advances were made the debtor was the owner of said land subject to a first mortgage in favor of the Manufacturer's Life Insurance Company, which was provided for all liens.
2. That the mortgagees foreclosed upon their security and became the registered owners of said land and that by such foreclosure all liens were eliminated therefrom.
3. That the debtor left the District some years ago, and there is no possibility of making any collection under his personal covenant.

The Board therefore recommends that all liens registered against the said lands be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

The Board also recommends that the Municipal District of Forty Mile No. 64, be discharged from any further liability to the Province of Alberta, in connection with the said liens, and that the total amount payable thereon be written off as uncollectible, as the financial affairs of the District are such that it is not possible for the said Municipality to make any further payments on account thereof.

Dear Sir:

Re: Seed Grain and Relief Indebtedness  
J. M. Deibart - Municipal District of Forty Mile #64  
E. 1/2 35- 8- 11- W.4th

J. M. Deibart obtained the undermentioned advances  
from the Municipal District of Forty Mile #64:-

|              |                   |                 |

|              | May 30, 1922      | 101.25          |
|              | November 28, 1922 | 12.00           |
|              |                   | <u>\$732.25</u> |

On October 7, 1920 he made a repayment of \$25.00 of which  
\$5.00 was applied on seed grain and \$20.00 on relief.

After application of this sum and with the addition  
of interest to December 31, 1930 there remains unpaid the undermentioned  
balance:

|              |           |                  |  |
|--------------|-----------|------------------|--|
| Seed Grain - | Principal | \$300.50         |  |
|              | Interest  | 197.95           |  |
|              |           | <u>\$498.25</u>  |  |
| Relief -     | Principal | \$421.78         |  |
|              | Interest  | 289.44           |  |
|              |           | <u>711.22</u>    |  |
|              |           | <u>\$1209.47</u> |  |

Liens to secure this indebtedness were registered  
on the Certificate of Title to the E. 1/2 35- 8- 11- W.4th. They were  
all subsequent to a mortgage to the Manufacturer's Life Insurance Com-  
pany who have foreclosed and obtained an Order vesting title in them  
and removing the liens.

- 2 -

E. J. Fream, Esq.,

There is no likelihood of collection of any portion of this account as there now remains no security therefor and the whereabouts of the debtor are unknown.

I therefore recommend that the unpaid balance of this account be written off as uncollectable both in so far as it affects Delbart's indebtedness to the Municipal District and the indebtedness of the Municipal District to the Province of Alberta.

Yours truly,

ELJ/PB.

Director.

The Tax Consolidation Board, hereby recommends that the liens, charged against the P. J. 55-8-11-2, Ltd. for advances made to S. M. Velhart, by the Municipal District of Party Mile No. 64, be discharged.

The Board submits in support of this recommendation:-

1. That at the time the advances were made the debtor was the owner of said land subject to a first mortgage in favor of the Manufacturer's Life Insurance Company, which was entitled to a lien.
2. That the mortgagees foreclosed upon their security and became the registered owners of said land and that by such foreclosure all liens were eliminated therefrom.
3. That the debtor left the District some years ago, and there is no possibility of making any collection under his personal agreement.

The Board therefore recommends that all liens registered against the said lands be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

The Board also recommends that the Municipal District of Party Mile No. 64, be discharged from any further liability to the Province of Alberta, in connection with the said liens, and that the total amount payable thereon be written off as uncollectible, as the financial affairs of the District are such that it is not possible for the said Municipalities to make any further payments on account thereof.

Times to secure this indebtedness were rendered  
a full certificate of title on the day 22-12-11. After that date

pany, the life insurance and interest on other existing title to date  
to date of the times.

There is no result to be collected in the  
of this account as there are no assets to collect  
and the shareholders of the latter are unknown.

I therefore recommend that the account be  
of this account be written off as uncollectible and the  
of the latter's indebtedness to the Municipal District and the  
indebtedness of the Municipal District to the latter be closed.

Yours truly,

Secretary

The Tax Consolidation Board, hereby recommends that the liens, charged against the E. 1/2, 35-8-11-W. 4th Mer., for advances made to J. E. Weibart, by the Municipal District of Forty Mile No. 64, be discharged.

The Board submits in support of this recommendation:-

1. That at the time the advances were made the debtor was the owner of said land subject to a first mortgage in favor of the Manufacturer's Life Insurance Company, which had priority to all liens.
2. That the mortgagees foreclosed upon their security and became the registered owners of said land and that by such foreclosure all liens were eliminated therefrom.
3. That the debtor left the District some years ago, and there is no possibility of making any collection under his personal covenant.

The Board therefore recommends that all liens registered against the said lands be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

The Board also recommends that the Municipal District of Forty Mile No. 64, be discharged from any further liability to the Province of Alberta, in connection with the said liens, and that the total amount payable thereon be written off as uncollectible, as the financial affairs of the District are such that it is not possible for the said Municipality to make any further payments on account thereof.

  
Chairman, Tax Consolidation Board.

The Honorable, R. G. Keil,  
Provincial Treasurer,  
Government Buildings,  
Edmonton,  
Alberta.

Board Order No. 4129, recommends that the Seed Grain and Relief Indebtedness of the above named man, to the Municipal District of Forty Mile No. 64, be discharged.

This recommendation was passed on the information that all Municipal Liens were registered on title to the E. 1, 35-8-11-W. 4th Mer., subsequent to a mortgage held by the Manufacturers Life Insurance Company, which mortgage was foreclosed and the Municipal Liens were eliminated by Vesting Order.

3. That for the reasons given in Board Order No. 4129, it is desirable that all liens be discharged.
4. That there is no possibility of making any collection from the debtor under his personal covenant.

The Board therefore recommends that all liens charged against the said land be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

As no action to deregister is therefore necessary this communication may be accepted as conveying the consent of this Department to the cancellation of the liens and the closing out of the account as a loss, which action has already been taken on our records.

EDMONTON. Feb. 22, 1934.

Sir:

Re: N.E. 1/4 35-8-11 T. 4th Meridian.

I have received an application in connection with seven acres of land situated in the North East corner of the N.E. 1/4 of Section 35, Township 8, Range 11, West of the 4th Meridian.

Upon examining my records I find that patent issued in the name of Joseph Mike Deibart for the whole of the above quarter section, excepting thereout the following described parcel of land:

"Commencing at the North East corner of the said quarter section, thence Westerly along the North boundary of the said quarter section a distance of six hundred and seventy-nine feet, thence Southerly parallel to the east boundary of the said quarter section a distance of four hundred and fifty feet, thence easterly parallel to the said north boundary a distance of six hundred and seventy-nine feet, more or less, to the said east boundary, thence northerly along the said East boundary a distance of four hundred and fifty feet, more or less, to the place of commencement; containing by admeasurement Seven acres, more or less".

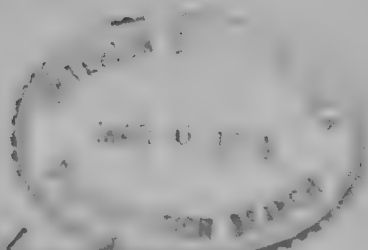

As far as the records of this office show, this exception of seven acres has never been patented and is still Crown land. In the Register there is a notation, "Church - File No. 203312", but no further information appears to be available. No Ottawa file has been forwarded, and accordingly before dealing with this land may I ask you to forward full and complete details regarding it. Possibly it would be better to send your file so that the whole history of the case can be obtained.

ORDER-IN-COUNCIL P.C. 40 DATED

Mr. E.M. Medlen,  
Dominion Member,  
Seed Grain Advisory Board.

Re: Account of Gottfried Bahler  
E. 1-8-11-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915, 1920, 1921 and 1922 seed grain, fodder and relief amounting to \$500.95 were advanced to Gottfried Bahler on the security of the above mentioned land. A payment of \$50.00 was received in 1917 and applied to the principal and interest. The present standing of this account is:

| <u>Principal</u> | <u>Interest</u> | <u>Total</u> |
|------------------|-----------------|--------------|
| \$ 459.25        | \$ 1,008.96     | \$ 1,468.21  |

Patent was issued in the name of Gottfried Bahler for the N.E. 1-8-11-W4 on the 27th of January 1919, subject to the 1915 liens. The S.E. 1-8-11-W4 was formerly the pre-emption entry of the debtor whose entry was cancelled and the land is still unalienated Crown Land held in the right of the Province.

In 1927 the N.E. 1-8-11-W4 became subject to forfeiture proceedings for nonpayment of arrears of taxes and title has since been acquired by the Municipal District of Bow Island No. 13.

The Municipality has been unable to dispose of the N.E.  $\frac{1}{4}$  by sale and it is presently included in a grazing lease issued in the name of John J. Roth of Bow Island, Alberta, while the S.E.  $\frac{1}{4}$  is under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is presently held under a grazing lease issued in the name of Morris E. Nelson of Burdett, Alberta.

In reply to our questionnaire of the 20th of February, 1952, V.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"The above land is situated outside of the homestead lease area, and it is not likely to be used for farming purposes."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our liens. Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

Mr. Hume.

S.W. 1/4 23-3-11-W. 4th M.  
Homestead - R. D. Wilson,  
Entry granted 21st Sept. 1916.

Cancellation proceedings were institut-  
ed against this entry on behalf of the Department on the  
20th October, 1922, for failure to apply for patent within  
the required time. No defence has been filed.

Homestead Inspector Wilcox reported on  
the 24th April last, that the entrant resided with his  
father on the S. 1/4 24-3-11-W. 4th M., from 1911 to the time  
of enlistment in 1918. Improvements, - nil. Cultivation  
40 acres broken and cropped previous to 1918. *Terms of entry  
call for 80 acres, no improvements being done in vicinity*  
General Remarks

"As near as I could find out Mr. Wilson  
"had about one year of Military Service. He  
"has been away working for about two years."

Mr. Wilson was communicated with from  
this office on the 7th May last, and advised that it had been  
decided to allow him a further period of thirty days within  
which to furnish the Agent at Lethbridge with evidence in the  
form of an application for patent, that he had completed the  
required settlement duties, or with a Statutory Declaration  
establishing the fact that he was in bona fide residence and  
preparing to proceed with the performance of the duties; that  
failure to furnish evidence of good faith within the time  
allowed might result in the cancellation of his entry.

The Agent now reports that nothing has  
been heard from the entrant, and as the letter addressed to  
him has not been returned by the Postal Authorities, it would  
seem that he must have received same.

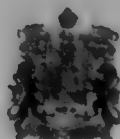

As the entry has been standing for over  
six years, and as no defence has been filed, I would suggest  
that the entrant be allowed a final period of thirty days with-  
in which to state what his intentions are as regards the land.

Sir,

With reference to the cancellation proceedings outstanding against your homestead entry, the South West 1/4 of section 23, Township 1, Range 11, East of the 4th Meridian, I beg to point out that you have been communicated with on several occasions relative to this land but no reply has been received from you. This is most unsatisfactory and as the entry has been standing for over six years and as no defence has been filed in connection with the proceedings pending, the Department would be justified in carrying out cancellation but in view of all the circumstances of the case, however, it has been decided to allow you a final period of thirty days from this date within which to advise the Agent of Dominion Lands, Lethbridge, as to what your intentions are as regards this land.

Should you fail to do so within the time allowed the aforesaid official will cancel your entry and dispose of the land in accordance with the regulations.

Mr. E.M. Medlen,  
Dominion Member,  
Seed Grain Advisory Board.

Re: Account of R.D. Wilson  
S.W. 23-3-11-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919 and 1920 seed grain amounting to \$347.90 was advanced to R.D. Wilson on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

| <u>Principal</u> | <u>Interest</u> | <u>Total</u> |
|------------------|-----------------|--------------|
| \$ 347.90        | \$ 806.91       | \$ 1,154.81  |

The S.W. 23-3-11-W4 was formerly the pre-emption entry of the debtor whose entry was cancelled on the 18th of August 1923, and the land is still unalienated Crown Land held in the right of the Province.

The land is described as clay loam with rocks with only about 45 acres suitable for cultivation.

This quarter section is under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is presently included in a grazing lease issued in the name of James W.R. Wilson, of Lucky Strike, Alberta. It is not assessed as of any value or subject to taxation. As such the land no longer offers any security of value for our advances.

Under the circumstances it is recommended that the indebtedness be cancelled.

To the Honorable Minister of the Interior, O  
Ottawa, Canada.

Sir:-

The undersigned your petitioner respectfully represents:

That on August 9th, 1910, he made homestead entry for the South half of Sec. number Thirteen, in Township number Three, Range Eleven West of the 4th meridian, at the Dominion land office at Lethbridge, in the Province of Alberta, and that he intended to perfect said entry by taking possession of said land and beginning his residence duties in connection therewith. And that he has been prevented from so doing for the following reasons:

That he is a married man having a wife and nine children, and that his family reside at the city of Alma, Buffalo County, Wisconsin; that four of said children between the ages of eight and eighteen years are attending the public school at Alma, Wisconsin and that deponent desires to send said children to school, and that there is no public school which they could attend near his said homestead land in Canada; that two of his said children were sick for a long time during the past winter and that for that reason he could not move his family with him to Canada and take up his homestead residence, that one of said children is still sick but is improving gradually; that the ~~deponent~~ deponent intends to move his said family to Canada and to reside with them upon the lands aforesaid as required by law, as soon as he can remove his said family with safety and that he expects to take up his residence on said lands by April 1st, 1911.

Therefore affiant prays that the time within which he is required to take up his residence upon said land may be extended for such period of time not exceeding six months as will enable him to remove to Canada for such purpose without endangering the welfare of his children.

Re S.M. 16-1-11-W.4th M.  
Pre-emption - C.H. Aske.  
Entry granted 15th Jan., 1910.  
Can. Pro. outstanding.

Mr. Aske obtained patent for his appurtenant homestead and applied for patent for his pre-emption claiming that sufficient duties had been performed. He was accordingly issued with a Certificate of Recommendation, which has now expired.

On the 21st March last, Homestead Inspector Wilcox reported that the appurtenant homestead is now owned by Mr. T.C. Pegg. The only improvements on the pre-emption consist of 1 mile of fencing, valued at \$60.00, and 80 acres of breaking of no value as it has not been cropped for several years.

Cancellation proceedings were instituted but no defence has been filed.

An Abstract of Title shows that there are no registrations against this land.

I would therefore recommend that the entry be cancelled and the land made available for grazing purposes as it is situated in Area "A".

R. J. Frean, Esq.,

DEAR SIR:

Re: Herbert Torgue.  
H.R. 22-4-11-W.4th (Patented)  
H.R. 22-4-11-W.4th (Cancelled  
Pre-emption)  
Dominion Liens.

This man obtained seed grain, fodder and relief advances from the Dominion Government in connection with which the unpaid indebtedness appears as hereunder:

|                    |                 |
|--------------------|-----------------|
| Principal          | \$500.95        |
| Int. to Mar. 31/30 | <u>340.34</u>   |
|                    | <u>\$841.29</u> |

As security for these advances liens were registered on title to the H.R. 22-4-11-W.4th, which was the debtor's patented homestead. He lost title to this land through Tax Recovery Act Procedure and title now vests in the name of the Municipal District of Burlington #34.

No disposition may be made of the indebtedness as charged against this land until such time as sale of the property is effected and an application for an adjustment is received in that connection.

H. W. 22-4-11-W.4th. The liens constitute a charge against this property which was the debtor's unpatented pre-emption, his entry to which was cancelled on October 7th, 1927. On January 24th, 1930, Jacob Kultgen of Foremost, Alberta, obtained entry for this land as a second homestead, agreeing to assume the outstanding indebtedness with a proviso for adjustment. There are no improvements on this property and it is described as being of the average value of unimproved lands in that District which has proven to have not been of sufficient value for the original entrant to endeavor to retain

it and it is situated in a district of the Province which has been subject to severe drought. The retention of the former entrants indebtedness against this land would only have the effect of deterring the new entrant from endeavoring to obtain patent, and I recommend that the Dominion liens be discharged as affecting this land.

The original debtor abandoned his land years ago and there is no record of his whereabouts but final disposition of the indebtedness may not be made until disposal is made of the north-east quarter-section.

EDMONTON

May 22nd, 1931.

Re H.  $\frac{1}{4}$ , 22-4-11-W. 4th Mer.,  
Herbert Tongue,  
Dominion Liens.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the Dominion Liens charged against the H.  $\frac{1}{4}$ , 22-4-11-W. 4th Mer., for advances made to Herbert Tongue, be adjusted as follows:-

1. That all liens charged against the H.W. $\frac{1}{4}$ , 22-4-11-W. 4th Mer., be unconditionally discharged.
2. That the total amount payable upon said liens be retained as a charge against the H.E. $\frac{1}{4}$ , 22-4-11-W. 4th Mer., until a further recommendation is submitted in connection therewith.

The Board submits the report of the Director, Debt Adjustment Act, dated May 2nd, 1931, which report gives full details of all liens registered against the said land and states in support of the recommendation:-

1. That at the time the advances were made the debtor held pre-emption entry to the H.W. $\frac{1}{4}$ , 22-4-11-W. 4th Mer., and that such entry was cancelled in the year 1927.
2. That in the year 1930, Jacob Kultgen, secured homestead entry to the said land and agreed to assume the liability charged against same subject to adjustment.
3. That the present entrant secured no benefit from the advances made to the original entrant and that the land is situate in an extremely dry District, and has a low value, being suitable principally for grazing purposes, and it is not desirable that the present entrant be handicapped by requiring him to assume any portion of the liability of the original entrant, as if this is done it would probably result in the present entrant abandoning his entry.

4. ....

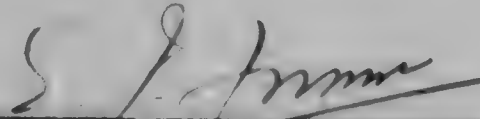

5569034

20

4. That at the time the advances were made the debtor was the owner of the N.E.  $\frac{1}{4}$ , 22-4-11-W. 4th Mer., but that title thereto passed to the Municipal District of Burlington No. 34, under Tax Recovery Proceedings, and title to said land is still registered in the name of the Municipality.
5. That it is desirable that the total amount payable upon said liens be retained as a charge against this quarter section until a further recommendation is submitted.

The Board therefore recommends that all liens charged against the N.W.  $\frac{1}{4}$ , 22-4-11-W. 4th Mer., be unconditionally discharged, and written off as uncollectible, in so far as said land only is concerned.

The Board further recommends that the total amount payable upon said liens be retained as a charge against the N.E.  $\frac{1}{4}$ , 22-4-11-W. 4th Mer., until a further recommendation is submitted in connection therewith.

Dear Sir

I am putting in a pump plant on what I thought was on Ct. W. 24. 19. S. but I have found several survey mounds more than belong to the present survey. I understand that a survey called "a half breed survey" was previously made and a man was sent to destroy the mounds in this vicinity but did not do so in every case. I had this information from a Govt. engineer working in the next townships this season.

Will you please have marked on the enclosed plan all the mounds that have been erected on the South side of River mark the old survey mounds with a different color. I know no less than seven mounds close to the river in this space. What I do to know particularly is if a half breed mound was erected on what is now N-W-24. North East 28.

As I have the machinery here to put in an early reply will greatly oblige

Yours truly  
Thos. J. Lokies

29th Oct., 1912.

Sir,-

I have the honour to acknowledge the receipt of your letter of October 9th, addressed to the Secretary of this Department, stating that south of the right bank of the South Saskatchewan river in sections 23 and 24, township 17, range 5, west of the fourth meridian, there are more monuments than there should be.

In 1883 Mr. J. I. Dufrane, D.T.S. surveyed this township and laid out river lots along the South Saskatchewan river.

In 1886 instructions were given Mr. J. S. Dennis, D.T.S. to remove the monuments defining the river lots. The enclosed sketch showing monuments and distances according to the information on record in this Department also shows the monuments removed and destroyed by Mr. Dennis.

According to the surveyor's field notes the northeast corner of section 23 fell in the river and was marked by a witness mound placed eight chains (626 feet) west of the true corner. To find the true corner it is necessary to measure eight chains east from the witness mound. It is also stated in Mr. Dufrane's notes that posts were placed along the river bank at the intersections of the river lot boundaries with the traverse lines but the positions of these posts are not shown. There are accordingly neither notes nor plans on record in this Department showing the position of these posts nor have we any record of their being destroyed.

I have the honour to be, Sir,  
Your obedient servant,

E. DEVILLE  
Surveyor General.

If according to Sketch "B", it will be necessary for you to remit a further payment on the difference of area, namely 47.80 acres at the rate of \$3.00 per acre amounting to \$143.40 before your patent can be issued.

COMMISSIONER

OTTAWA, 17th March, 1924.

Memorandum:

Mr. Hume.

S. 19-22-7. 4th Meridian.  
Homestead - Lake Moran.  
Entry granted - 4th September, 1918.

Application to have patent for this land  
vested in the Soldier Settlement Board  
under Section 37 of the Soldier Settlement  
Act, 1917, Chapter 71, 9-10, Geo.V.  
(SALVAGE CASE).

This entrant has obtained advances  
on the security of the above land from the Soldier  
Settlement Board.

Amount:- \$1485.48.  
Purpose:- For stock, equipment and  
permanent improvements.

In a memorandum hereunder dated  
the 28th ultimo the Soldier Settlement Board reports that  
the settler resided upon the land only until the fall of  
1921, when he is reported to have left the district  
without stating his intentions. All efforts to communicate  
with the settler have been without success. Under the  
circumstances, the Board instituted adjustment proceedings  
and the settler's agreement was rescinded.

The land in question being "charged  
land" within the meaning of Section 37 of the Soldier  
Settlement Act and the settler being in default with  
respect to the agreement made with the Board, it is  
requested that the right, title and interest of the  
settler in the above land be forfeited, and that same  
be vested in the Board. A Vesting Order for the Minister's  
signature is attached.

It is suggested that the necessary  
action be taken to have patent for this land issue in the  
name of the Board.

*Wm. H. H. H.* 8th October, 1909.

MEMORANDUM:-

You asked for my opinion on the course suggested by Mr. Drake.

It appears that on the 17th of February last Mr. Steward, Commissioner of Immigration, submitted an application from Messrs. Denbigh and Stimson to purchase Section 25 and South  $1/4$  of Section 27, in Township 7, Range 5, West of the 4th Meridian for irrigation purposes.

On the 4th of May, 1909, the Agent was instructed to reserve these lands for three months, so that a survey might be made with a view to ascertaining whether there was sufficient water for irrigation.

But the Agent, in the month of July disposed of the following lands, namely, East  $1/2$  of Section 25, to E. Gill as homestead and pre-emption.— South East  $1/4$  of 27 to C. L. Hagan, as a homestead, and the South West  $1/4$  to P. King as a pre-emption.

No doubt, the Agent was wrong, and we might find justification for cancelling the entries; but our policy has always been to favour the bona fide settlers as against corporations or other claimants, and it is

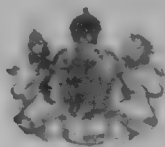

unquestionable

Sir,

Referring to the correspondence that has taken place respecting the application of Messrs. Darhigh and Stinson to purchase Section 25 and the South  $1/2$  of 27, in Township 7, Range 3, East of the 4th Meridian for irrigation purposes, I beg to say that before giving a decision in this matter the Department desires to know what residences and improvements have been effected by the persons to whom you granted entry, namely, R. Gill - East  $1/2$  of 25, as a homestead and pre-emption; G.L. Hagen - South East  $1/4$  of 27, as a homestead; F. Wing - South West  $1/4$  of 27, as a pre-emption.

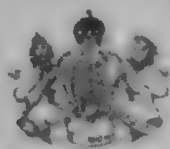

The point to be cleared up is as to whether <sup>in</sup> they are in good standing and bona fide occupation, and what improvements they have made upon their respective entries.

Be good enough to instruct the Homestead Inspector to give this matter attention as soon as possible

Secretary.

Sir,-

I beg to acknowledge the receipt of your letter of the 6th instant, your file 44296, with reference to the entries you have granted on the E.  $\frac{1}{2}$  of Sec. 25 and the E.  $\frac{1}{2}$  of Sec. 27, in T. 7, R. 5, West of the 4th Meridian, which lands, together with the W.  $\frac{1}{2}$  of the said Section 25, should have been reserved in connection with the application of Messrs. Benbich and Stinson, of Eagle Butte, to purchase them under the irrigation system.

It has been decided to permit these entries, which have been improperly granted, to stand temporarily, but you should at once notify the entrants that their entries have been granted in error and that they are subject to cancellation, and that they will be cancelled if the report of the Commissioner of Irrigation shows that the irrigation scheme of Messrs. Benbich and Stinson is feasible and if he recommends the sale of the land to these gentlemen.

If, however, the Commissioner's report shows that the sale would not be in the public interest there will be no necessity for cancelling these entries. The entrants should be given clearly to understand that any improvements placed by them upon these lands will be entirely at their own risk.

Your obedient servant,

Agent of Dominion Lands,

cancelled and that all the lands applied for by Messrs. Denbigh and Stimson be sold to them. So far as the record shows this will not result in any hardship to any of the entrants, as they do not appear to have gone to any expense in the way of improvements. Messrs. Denbigh and Stimson on the other hand have incurred some expense in connection with plans of their irrigation works and this expense has been incurred through their reliance upon the Department's promise to sell them the lands in the event of their irrigation scheme proving feasible. As the scheme has been shown to be feasible, I think the promise should be kept and the lands sold.

Respectfully submitted,

(Sgd.) E. F. Drake.

scheme was entirely feasible and he recommended the sale of the lands and, on the 22nd September, 1909, recommended the cancellation of the entries that had been improperly granted, and the sale of the lands to Messrs. Dunbigh and Stinson in accordance with the authority previously given. This memorandum was referred to the Commissioner's office and was reported on by Mr. Dixon, who was doubtful of the advisability of cancelling the entries and suggested an inspection before further action was taken. Such an inspection has been made, and shows the following:-

S.E. 1/4 Sec. 27, Tn. 7, Rg. 3, West 4th Meridian.

Inspected 30th December, 1909. B. Gill, entrant. Apparently no effort made towards complying with the regulations.

S.E. 1/4 Sec. 27, Tn. 7, Rg. 5, West 4th Meridian.

Inspected 30th December, 1909. C. L. Hansen, entrant. Apparently made no effort towards complying with the regulations.

S.W. 1/4 Sec. 27, Tn. 7, Rg. 5, West 4th Meridian.

Inspected 30th December, 1909. W. King, entrant. Apparently no effort made to comply with regulations.

In view of the fact that these lands were reserved by the Department in connection with the application of Messrs. Dunbigh and Stinson to purchase them under the Irrigation System, and that these gentlemen have filed the necessary memorial and plans and have satisfied the Commissioner as to the feasibility of their scheme for irrigating the lands, I beg to recommend that the existing entries be

MEMORANDUM :-

I beg to call your attention to my memorandum of the 17th August, 1909, marked hereon, with reference to the application of Messrs. A. C. Donbich and F. W. Stinson, of Eagle Butte, Alberta, to purchase, under the Irrigation system, Sec. 25 and the S. 1/2 of Sec. 27, in Tn. 7, R. 8, West 4th Meridian. The lands applied for were vacant at the time the application was made, and upon the recommendation of the Commissioner and with your approval, were reserved for a period of three months from the 1st July, 1909, in order to permit the Commissioner to investigate the feasibility of the proposed irrigation scheme.

The Agent at Edmonton was duly notified of the matter, and he reported that he did not properly note it in his records, and that he subsequently accepted homestead and pre-emption entries for the last half of Sec. 25 and the S. 1/2 of Sec. 27. When attention was drawn to this the Agent admitted the error and asked whether the entries should be cancelled. It was decided at the time to notify the entrants that their entries had been improperly granted and were subject to cancellation, but to take no action towards cancellation until the Commissioner had reported upon the feasibility of the scheme. If the scheme was not found to be feasible the entries were to be left undisturbed.

Subsequently the Commissioner reported that the

MEMORANDUM:—

You asked for my opinion on the course suggested by Mr. Drake.

It appears that on the 17th of February last Mr. Steward, Commissioner of Immigration, submitted an application from Messrs. Denbigh and Stimson to purchase Section 25 and South 1/4 of Section 27, in Township 7, Range 5, West of the 4th Meridian for irrigation purposes.

On the 4th of May, 1909, the Agent was instructed to reserve these lands for three months, so that a survey might be made with a view to ascertaining whether there was sufficient water for irrigation.

But the Agent, in the month of July disposed of the following lands, namely, East 1/2 of Section 25, to E. Gill as homestead and pre-emption.— South East 1/4 of 27 to C.L. Hagen, as a homestead, and the South West 1/4 to F. Ving as a pre-emption.

No doubt, the Agent was wrong, and we might find justification for cancelling the entries; but our policy has always been to favour the bona fide settlers as against corporations or other claimants, and it is

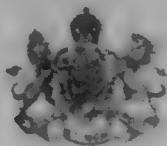

questionable

Sir,

Referring to the correspondence that has taken place respecting the application of Messrs. Denbigh and Stimson to purchase Section 25 and the South 1/2 of 27, in Township 7, Range 5, West of the 4th Meridian for irrigation purposes, I beg to say that before giving a decision in this matter the Department desires to know what residence and improvements have been effected by the persons to whom you granted entry, namely, B. Gill - East 1/2 of 25, as a homestead and pre-emption; G.L. Fagen - South East 1/4 of 27, as a homestead; F. Wing - South West 1/4 of 27, as a pre-emption.

The point to be cleared up is as to whether they are in good standing and in bona fide occupation, and what improvements they have made upon their respective entries.

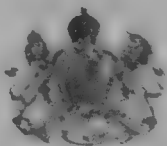

Be good enough to instruct the Homestead Inspector to give this matter attention as soon as possible

Sir,—

I beg to acknowledge the receipt of your letter of the 6th instant, your file 44296, with reference to the entries you have granted on the E.  $\frac{1}{2}$  of Sec. 25 and the S.  $\frac{1}{2}$  of Sec. 27, in Tn. 7, Rg. 5, West of the 4th Meridian, which lands, together with the W.  $\frac{1}{2}$  of the said Section 25, should have been reserved in connection with the application of Messrs. Denbigh and Stimson, of Eagle Butte, to purchase them under the irrigation system.

It has been decided to permit these entries, which have been improperly granted, to stand temporarily, but you should at once notify the entrants that their entries have been granted in error and that they are subject to cancellation, and that they will be cancelled if the report of the Commissioner of Irrigation shows that the irrigation scheme of Messrs. Denbigh and Stimson is feasible and if he recommends the sale of the land to these gentlemen.

If, however, the Commissioner's report shows that the sale would not be in the public interest there will be no necessity for cancelling these entries. The entrants should be given clearly to understand that any improvements placed by them upon these lands will be entirely at their own risk.

Your obedient servant,

Agent of Dominion Lands,

cancelled and that all the lands applied for by Messrs. Denbigh and Stimson be sold to them. So far as the record shows this will not result in any hardship to any of the entrants, as they do not appear to have gone to any expense in the way of improvements. Messrs. Denbigh and Stimson on the other hand have incurred some expense in connection with plans of their irrigation works and this expense has been incurred through their reliance upon the Department's promise to sell them the lands in the event of their irrigation scheme proving feasible. As the scheme has been shown to be feasible, I think the promise should be kept and the lands sold.

Respectfully submitted,

(Sgd.) E. F. Drake.

scheme was entirely feasible and he recommended the sale of the lands and, on the 30th September, 1909, I recommended the cancellation of the entries that had been improperly granted, and the sale of the lands to Messrs. Denbigh and Stimson in accordance with the authority previously given. This memorandum was referred to the Commissioner's Office and was reported on by Mr. Dixon, who was doubtful of the advisability of cancelling the entries and suggested an inspection before further action was taken. Such an inspection has been made, and shows the following:-

A.1 Sec.25, Tn.7, Rg.5, West 4th Meridian,

Inspected 30th December, 1909. B. Cilli, entrant. Apparently no effort made towards complying with the regulations.

S.E.1/4 Sec.27, Tn.7, Rg.5, West 4th Meridian.

Inspected 30th December, 1909. C. L. Hagan, entrant. Apparently made no effort towards complying with the regulations.

S.W.1/4 Sec.27, Tn.7, Rg.5, West 4th Meridian.

Inspected 30th December, 1909. F. Wink, entrant. Apparently no effort made to comply with regulations.

In view of the fact that these lands were reserved by the Department in connection with the application of Messrs. Denbigh and Stimson to purchase them under the irrigation system, and that these gentlemen have filed the necessary memorial and plans and have satisfied the Commissioner as to the feasibility of their scheme for irrigating the lands, I beg to recommend that the existing entries be

MEMORANDUM:-

I beg to call your attention to my memorandum of the 17th August, 1909, marked hereon, with reference to the application of Messrs. A. C. Denbigh and T. W. Stinson, of Eagle Butte, Alberta, to purchase, under the irrigation system, Sec.25 and the S.½ of Sec.27, in Tn.7, R.8, West 4th Meridian. The lands applied for were vacant at the time the application was made, and upon the recommendation of the Commissioner and with your approval, were reserved for a period of three months from the 4th day, 1909, in order to permit the Commissioner to investigate the feasibility of the proposed irrigation scheme.

The Agent at Lethbridge was duly notified of the reservation, but it appears that he did not properly note it in his records, and that he subsequently accepted homestead and pre-emption entries for the east half of Sec.25 and the S.½ of Sec.27. When attention was drawn to this the Agent admitted the error and asked whether the entries should be cancelled. It was decided at the time to notify the entrants that their entries had been improperly granted and were subject to cancellation, but to take no action towards cancellation until the Commissioner had reported upon the feasibility of the scheme. If the scheme was not found to be feasible the entries were to be left undisturbed.

Subsequently the Commissioner reported that the

SIR:-

I beg to acknowledge the receipt of your letter of the 11th instant--your File 1475--enclosing the application of Messrs. Denton and Stinson for right of way for their irrigation ditch over the E. 1/4 of Sec. 36, Tp. 7, Rg. 5, East of the 4th Meridian, and note the statement contained therein regarding the homestead entry of Mr. J. A note will be made in the departmental records against the land in question and if Mr. Merkel's entry is cancelled right of way will be reserved over this quarter-section for Messrs. Denton and Stinson's irrigation ditch.

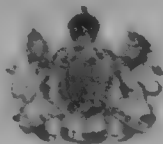

I am directed to inform you that the homestead and pre-emption entries granted in error for the E. 1/4 of Sec. 36 and the E. 1/4 of Sec. 37, Tp. 7, Rg. 5, West 4th Meridian at a time when the said lands should have been reserved in connection with the application of Messrs. Denton and Stinson to purchase them under the irrigation system have now been cancelled and instructions to that effect were sent to the Agent at Lethbridge on the 16th instant. Sir,

Wm 22 - 7 - 5. West 4th.

I beg to acknowledge the receipt of a medical certificate, forwarded by you in connection with your application for an extension of time to go into residence on your homestead above described.

It is noted that your request was for an extension of time for three months, from the 15th of January last, which time has now almost elapsed.

Under the circumstances, the Agent at Medicine Hat, in whose district your homestead is now situated, is being instructed to protect your entry until the 1st of May, 1910, by which date it will be necessary for you to satisfy him that you are in actual residence in accordance with the regulations.

With reference to your pre-emption entry for the SW $\frac{1}{4}$  of Section 27, in the same township, I beg to say that as this land and other quarter sections were reserved by the Department in connection with a prior application to purchase, under the Irrigation system, and as the entry for the SW $\frac{1}{4}$  of Section 27, was granted to you in error, it was recently decided to cancel such entry, and the Agent was instructed to advise you that an application from you for a refund of the entry fee, would receive consideration, and if there is another available quarter section immediately

MEMORANDUM

M. Hume

S.E. 23-14-14 W. 4th N.  
Homestead, Joseph Maxwell Boulton  
Entry granted 28th June, 1911.

The National Trust Company of Toronto advised the Department of the death on active service of the above entrant, and in their letter of the 10th ultimo they state that as soon as advice has been received that a patent will be granted they will take steps to have the Letters of Administration re-sealed in Alberta.

The Certificate of the Militia Department of the 15th ultimo is as follows:-

"It is hereby certified that No. 20297, Private Joseph Maxwell Boulton, of the 10th Overseas Battalion, Canadian Expeditionary Force, who was officially reported as missing April 22/26, 1915, has now been, for official purposes, presumed to have died on or since the last named date.

The records at Militia Headquarters show the name and address of his next of kin as follows:-

C. F. Boulton, (Relationship not stated)

Hargrave,  
Huntingdon, England."

The Certificate of the Militia Department has been compared with the application for entry and identity is clearly established.

The Seed Grain Branch report no liability.

There appears to be no reason why a patent should not now be prepared for the above quarter-section in the name of the deceased entrant.

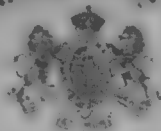

Recommended, — unless  
you prefer to wait until  
letters of administration are filed.

Dear Sir:

Re: Samuel Isaac Levitt.

In your communication of January 1<sup>st</sup>, you quoted the N.W. 20-3-5-4 4th ser., as this man's land entry. This is evidently an error as the land was patented to Andrew Torrance in 1918.

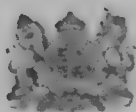

Mr. Isaac Levitt, a Russian Jew, obtained homestead entry for the N.W. 20-3-5-5 2nd ser., on June 15th, 1901. In his sworn statement dated June 30th, 1904, he declared that he was 35 years of age. His certificate of naturalization was issued under the seal of the Supreme Court of the North-West Territories, Judicial District of Eastern Assiniboia, on June 9th, 1906. According to the typewriter copy of the certificate, made and retained in this office for record purposes, Mr. Levitt was formerly of Odessa, Russia.

This may be the man in whom you are interested.

Yours very truly,

J. Lorne Turner,  
Registrar of Lands.

In this report the records show that in 1881 one Herbert Hutton obtained received from the Department land in, Poudre and belief on the securing of the 31-6-2 E. 4th N. which are still outstanding, but on the comparison of the signature of the license with that of the declarant they are no doubt not one and the same person.

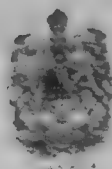

It is therefore suggested that the existing registration be effected through similarity in name and land.

The matter is therefore referred to you for further action and on the completion thereof kindly return files.

Sir,

I beg to inform you that Mr. F. D. Jackson, of Atsikon, Alberta, has forwarded here a declaration made by Herbert Hanson, of the same place, relative to liens for \$70.00, \$49.00, \$13.00, \$70.00, \$13.00 and \$44.00, respectively, alleged to be wrongfully claiming the title to the above described land, and to say the records here show that these liens were given by one Herbert Hutton Hanson on the security of the No. 21-6-6-7. 4th E., and should not cloud the title to the first above described land.

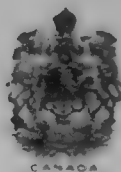

You are, therefore, hereby authorized and requested to remove from the title to the said the No. 21-6-6-7. 4th E., the liens in question for \$70.00, \$49.00, \$13.00, \$70.00, \$13.00 and \$44.00, respectively, registered against it.

A copy of this letter is being sent to Mr. Jackson for his information.

Re: Account of Herbert H. Watson  
N.W. 31-6-8-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to \$133.70 were advanced to Herbert H. Watson on the security of the above mentioned land. A payment of \$39.36 was received in 1943 and applied to the interest. The present standing of this account is:

| <u>Principal</u> | <u>Interest</u> | <u>Total</u> |
|------------------|-----------------|--------------|
| \$ 133.70        | \$ 215.09       | \$ 348.79    |

Patent was issued in the name of Herbert H. Watson for the S.W. 31-6-8-W4 on the 12th of January 1915 and for the N.W. 31-6-8-W4 on the 3rd of March 1924, subject to the liens.

In 1927 the land became subject to forfeiture proceedings for nonpayment of arrears of taxes and title has since been acquired by the Municipal District of Burlington No. 2.

The Municipality has been unable to dispose of the land by sale and it is presently included in a grazing lease issued in the name of Leo Watson of Etzikom, Alberta. There is an accumulation of \$5,361.56 arrears of taxes outstanding against this half section. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.
